

2010 NH COMETS 12U RED TEAM

HEAD COACH: Freddy Rivera
Cell: 848-2738, Home: 715-2678
E-mail: sixfredyr@comcast.net

Team Composition:

The team will be made up of 12 dedicated players. This will allow players to maximize their playing time. However, attendance will be very important and will determine playing time. We will not carry “so-called superstars” on the team; this will be “A-TEAM” form of players that will play together as one unit and respect one another on and off the field. Players will practice in multiple positions until they are comfortable and confident. Outfielders will be just as important as an infielder. The goal is to have any one girl play multiple positions on the field incase of injury or short handed.

Tournaments:

We will be participating in 4-5 tournaments in June/July, 2010. These tournaments usually involve a 3 game pool play on Saturday, (on occasion a Friday night) and single elimination game on Sunday. We may participate in an early scrimmage tournament in April. We may also participate in a Fall Ball jamboree tournament next month. All tournaments will be manageable as day trips within the New England area.

Cost/Fundraising:

The cost for the 2010 NH Comets Season is \$425/player which includes all tournaments and 2 uniforms due in by the Spring 2010.

For each player, I anticipate the off season program will require an additional \$100/player. Thus the total for the year is \$525. This fee does not include pitching lessons with a pitching coach.

Every NH Comets player is expected to sell \$150 of advertising space in the brochure for the Turn Two Tournament in July, 2010.

All players are required to participate in all fundraising activities during the registered year of play that may require a minimum monetary goal. The NH Comets may request the parents/guardian to make up the difference in the minimum monetary amount due from that fundraising activity. Please encourage your player to help support the fundraising portion of our program.

Team Goals:

- Respect your teammates, coaches, parents, and umpires at all time.
- Good Sportsmanship at all times.
- Develop softball skills to a higher level of play as to be able to compete at the ASA level.
- Build an understanding and love for the game that will foster future years of playing and coaching.
- Practice HARD, play HARD and Have FUN!!!
